

Window

Naturanexa's ironwood windows are an excellent choice for your villa, providing a touch of elegance and inviting natural light in to any room.

1

Choose a model

We offer three types of window

Single Window

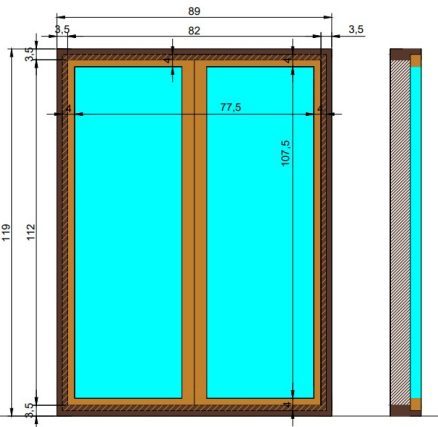

A classic single window design, featuring time-honored architectural elements and styles. This window is often rectangular or square in shape and offers various panel arrangements.

Double Window

The double window rendition, blending architectural sophistication. Its rectangular or square shape accommodates various panel configurations, evoking timeless charm and versatility.

Casement

Casement windows inspired by classical architecture. These rectangular or square windows offer a range of panel arrangements, a versatile choice that complements traditional styles with enduring grace. Can swing either indoor or outdoor

2

Sash

Width

52cm - 82cm

Length

112cm

3

Jamb

Width

3.5 x 6 - 8 - 10 - 12cm

Length

119cm

4

Pick the texture

Original Rustic

We keep the natural rugged texture of the wood perfect for outdoor/exposed use

Classic Smooth

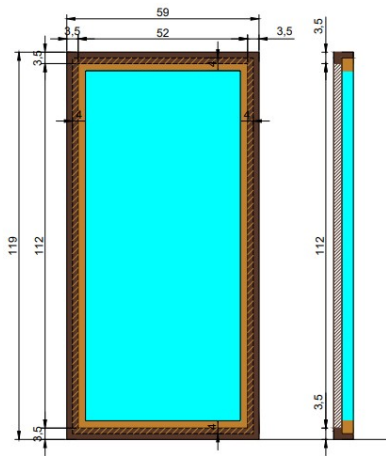

Top layer of the wood is smoothed perfect for indoor use
