

# Shutter

Naturanexa ironwood shutter is perfect for your windows or doors.

1

**Choose a model**

We offer four types of shutter

**Shutter Single with Standard Opening**

Ideal for traditional settings, this single shutter opens with a standard mechanism, providing simplicity and functionality.

**Shutter Double with Standard Opening**

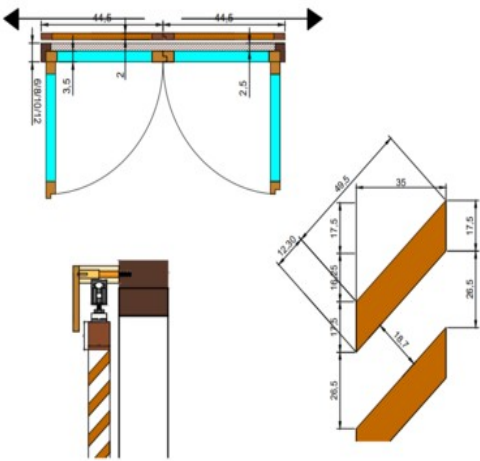

Designed for larger openings, the double shutter with standard opening offers a sturdy and practical solution, combining aesthetics with durability.

**Shutter Single with Sliding Opening**

Perfect for space optimization, the single shutter with a sliding opening mechanism allows easy operation while maintaining a sleek appearance.

**Shutter Double with Sliding Opening**

Offering enhanced accessibility, the double shutter with a sliding opening mechanism is suitable for wider spaces, providing a modern and efficient solution.

2
